Fundamental industrial hygiene courses and non-EHS management courses are capped at 5.0 CM points per course. CM points are accrued by Certified Industrial Hygienist (CIHs) who are certified by the American Board of Industrial Hygiene. ABIH expects the instruction to be consistent with the Canons of Ethical Conduct and Interpretive Guidelines. For your information, the Code of Ethics is available at the ABIH web site (abih.org).

Please note that ABIH requires CIHs to maintain verification of the courses and conferences which they attend. Verification for courses or educational programs must include the following: a certificate, letter, attendance roster or some other documentation from the sponsor verifying the completion of the entire course or educational program. Verification for conferences and meetings must include the following: local - attendance rosters, and/or a certificate, and/or a registration receipt; out of town - registration receipts and hotel/motel receipts, and/or approved expense vouchers for out of town meetings/conferences. Sponsors are required to distribute verification documentation directly to CIHs.
